Activity Three Sight Word Soccer

Red Sight Words

Attach your sight words to cones, rocks or chairs. Spread these out in your backyard to make an obstacle course. Now dribble a ball around the course (or just run), calling out the words as you go. Try racing your parents. Let your teacher know who was the fastest.

Learning Intention: I am learning how to read and write some words.

Activity Four Cup Surprise Yellow Sight Words

Write your sight words on some cups (on the bottom). Place a small special item under each cup, e.g. marble, stone, jellybean, etc.

Everytime you say the word correctly you can take the special item. Tell your teacher how many words you knew.
